

DRAGON MEDICAL PRACTICE EDITION

SPECIALTY AND SUBSPECIALTY VOCABULARIES

Vocabularies

Dragon® Medical Practice Edition contains medical vocabularies covering more than 90 medical specialties and subspecialties.

It is important that you select the correct vocabulary. Using a specialized medical vocabulary that covers the cases you see in your medical practice will offer you the highest recognition and productivity gains. Selecting a non-medical vocabulary or the medical vocabulary of a different specialty can have a significant impact on your recognition accuracy.

OVERVIEW OF THE COVERED SPECIALTIES AND SUBSPECIALTIES

General English: Non-medical vocabulary for dictating emails, letters, etc.

General Medical: A broad, non-specific medical vocabulary covering a wide range of medical specialties. Select this model if no other choice is applicable to you.
